

S M A L L W O R D .

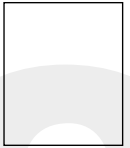

change

CHANGE IS INEVITABLE. IT BECOMES A BIG PROPOSITION WHEN INFORMATION TECHNOLOGY SYSTEM CHANGES TRANSLATE INTO OUTAGES THAT AFFECT YOUR ORGANIZATION. EVEN SEEMINGLY SIMPLE CHANGES CAN RESULT IN COSTLY DOWNTIME.

BIG PROPOSITION.

DCCI

200 W. WASHINGTON ST.
SUITE 6
CLARKSTON, MI 48346

What can system downtime cost your business?

In the case of one of our clients ...\$200,000 a day!

DCCI helped this firm develop, deploy and direct change management processes. The result: lower system downtime.

DCCI's proven processes improve coordination, communication and ultimately reduce downtime and firefighting. We can also help you with system architecture, e-commerce implementation, data center management, database management, networking, performance analysis and policy development. **DCCI**. It's all about Manageability, Effectiveness and Efficiency.

About DCCI. We offer a full range of consulting services focused on the effective application and management of information technology. Our goal is to ensure the technology you're using responds effectively and efficiently to your growing and changing business needs.

Get started today. Contact **DCCI** at **248.620.6300** about our consulting services for your distributed computing environment or visit **www.distcom.com**. **DCCI**. It's all about Manageability, Effectiveness and Efficiency.
